Naughty Marietta, Revised 2018 Synopsis

Set in eighteenth century New Orleans, *Naughty Marietta, Revised 2018*, is a story of those who search for love, those who search for honor, and those who hunger for power. A band of American woodsmen, farmers, and trappers, led by Captain Dick Warrington, have vowed to capture the pirate Bras Piqué. They also hope to find wives among the French casquette maids who have arrived in New Orleans with their dowries, provided by the King of France. Among the casquette maids is Marietta (the Contessa Marie D'Altena), who traveled incognito with the casquette maids in order to escape marrying the man of her father's choice. Marietta becomes torn between Captain Dick and the charming Etienne, who is the pirate Bras Pique in disguise. Eventually all the characters are exposed for who they are and receive their just rewards and punishments
